

Do you know where to look for funding opportunities for your community?

Please join me to learn more about programs available to local governments and community revitalization organizations! I have invited representatives from the Department of Community & Economic Development, PennDOT, the Center for Rural Pennsylvania and other agencies to attend this special program to give presentations on grant and revitalization programs in their respective departments.

It will be a great opportunity to learn what is available to your community and get tips on how to make your projects more attractive during the selection process!

Please RSVP to Senator Argall's office at 1-877-327-4255.

**Wednesday, July 29, 2015 • 6 PM
Morgan Auditorium • Penn State, Schuylkill Campus
200 University Drive, Schuylkill Haven, PA**

Senator David G. Argall
29th District
