**"EXCITING NEW WAY" TO REVITALIZE CITIES:
SENATE BILL 900 - ACT 90 OF 2010**

Jeri E. Stumpf, President of JERI E. STUMPF & ASSOCIATES, INC., a community development & governmental affairs consulting firm in Pennsylvania, announced the recent enactment into law of legislation his firm drafted for Pennsylvania's Statewide Blight Task Force. Called the **Neighborhood Blight Reclamation & Revitalization Act**, it provides a **new way** to revitalize *cities and urban areas* including those in rural parts of Pennsylvania, while serving as *a national model*.

Jeri's exciting work in the redevelopment of blighted and underutilized property, was recognized and used by the **American Planning Association** in Chicago recently, in the development of their *new national redevelopment policy!*

Jeri's **vast experience over 35 years**, including work for the **Pennsylvania Legislature and Governor's Office of Housing & Community Revitalization** in Pennsylvania where he helped develop a *new statewide strategy for housing & community revitalization*, has led to his recent **exciting new work in Philadelphia!**

Why not let his firm help you?
